1. Introduction

- (a) This Occupational Health and Safety Policy (**Policy**) sets out the policy of 4DMedical Limited ACN 161 684 831 and its subsidiaries (collectively referred to as the **Company**) in relation to its commitment to provide safe and healthy working conditions for all of its employees and contractors and to the safe custody of visitors to its operations and premises.
- (b) In fulfilling this responsibility, the Company recognises the duty to provide and maintain, so far as is practicable, a working environment that is safe, without risk to health and with a focus on fairness and respect.
- (c) The board of directors of the Company (**Board**) regularly provides guidance on the Company's standards and practices.
- (d) The Company focuses equally on the physical work environment, its systems and the culture of its business.

2. Occupational Health and Safety Program

- (a) The Company actively pursues its goals of maintaining an injury free working environment and supports endeavours to prevent injury and harm at work, both physically and emotionally, by emphasising fairness and respect among all employees.
- (b) The Company's occupational health and safety (**OH&S**) program encourages all employees to:
 - (i) identify, assess and manage safety risks;
 - (ii) continually work towards maintaining the workplace and systems of work that are safe and without risk to physical or emotional health;
 - (iii) work safely and in a manner that is respectful to others;
 - (iv) hold peers accountable for their actions;
 - (v) set targets to develop, implement and maintain safety standards and management systems;
 - (vi) ensure compliance with legal requirements and industry standards;
 - (vii) provide appropriate facilities to protect the welfare of all staff members and provide information, instruction, supervision and training in safe work practices; and
 - (viii) be proactive and responsive to staff OH&S concerns.

3. Education and Training

- (a) To ensure that employees are aware of the importance of OH&S issues, the Company provides ongoing education and training to:
 - (i) involve employees in developing risk solutions;
 - (ii) ensure an awareness of workplace risks and hazards; and

(iii) facilitate discussion to identify new or emerging risks and hazards.

(b) Safety is a shared responsibility between the Company and its employees. Every employee has a level of individual accountability for their own safety and that of their colleagues affected by their actions by adhering to the Company's safety systems and procedures at all times, being aware and respectful of other employees and reporting all workplace hazards and risks.

4. Reporting

An "Incidents Report" will be provided to Directors at each Board meeting.

5. Review

This Policy will be reviewed annually.
